RE: Double Diamond Utilities --- WS20543A-07-0435

Continuing Request for Service by The Ranch at White Hills

To whom it may concern;

I am the developer of the Ranch at White Hills and I am forwarding this letter to confirm my support of Double Diamond Utilities' extension request, and to assure the Commission and Staff that we have every intention of pursuing the development of the Ranch at White Hills. The delay in the completion of the Hoover Dam bypass construction, combined with the economic market impacts of the past year have created a delay in our project development as well. However, we continue to need the future utility service that will be provided by Double Diamond.

I appreciate your consideration and approval of Double Diamond Utilities' minor extension request. Should you have any questions or comments to this request, please feel to contact our project team directly. I am aware you already have the contact information for Ms. Kathy Tackett-Hicks already.

Respectfully Submitted,

Mr. Leonard Mardian,
